How do I get CorpPass role assigned to view SFEC credit balance?

CorpPass Administrator can login to <https://www.corppass.gov.sg> to assign **EPJS_USER** to the employee who manages and has access to training records and related invoices. The assigned users will be able to view the SFEC credit balance and submit the SFEC claim on behalf of the company.

For more information on role assignment, please refer to the user guide from the following link:
